Total Credits Required for Graduation = 126

Upon graduation, a student will receive a Bachelor of Science in Business Administration (B.S.B.A.) with a major in Management and an Undeclared concentration.

- **Students should work with their academic advisor to select a Major and Concentration. Students must select a Major and Concentration by the end of their sophomore year.**

General Information:

A student must earn a minimum of 120 credit hours to be awarded the baccalaureate degree. The number of credit hours required for graduation may be higher in certain major programs or if the student elects to pursue a second major. **Management requires 126 credits.** Beyond the requirements of the Core Curriculum and of a student's chosen major program, the balances of the credit hours required for graduation are "free electives."
